ANIMAL ARMY

The Fiddler has its own Micro Brewery called Animal Army. You can see our brewery inside our pub on the ground floor. We brew several traditional English ales using the finest malts, carefully selected hop flowers and we maintain our special yeast family. And, to keep our name real, Animal Army beers and ales are vegetarian!

ANIMAL ARMY ALES ON THE HANDPUMP

Albino Fox LOCAL | PALE ALE | 4,5% | HALF PINT 3,80 | PINT 7,40
Smooth taste, light colour and light body. Easily drinkable. Bitterness is low. A fabulous alcohol content, which gives you the opportunity to enjoy more as time passes by.

Maximilian LOCAL | SUMMER ALE | 4,5% | HALF PINT 3,80 | PINT 7,40
Our summer ale brings you aromatic Cascade hops. This crisp ale is famous among the sun lovers. Think no more when spending some time on our terrace. Maximilian is just what you need.

Redhead LOCAL | RED ALE | 5,6% | HALF PINT 3,80 | PINT 7,40
The malt caramel gives sweetness to the flavour, the hop bitters balance the sweetness, which gives Redhead its bittersweet taste. Be careful, this ale is dangerously addictive.

Cream Bee LOCAL | STOUT | 6% | HALF PINT 3,80 | PINT 7,40
This stout brings you dark flavours. Light hints of chocolate and coffee. Honey in the making makes her complete. But make no mistake; not sweet like honey, she remains a queen.

Sea Lion's IPA LOCAL | 6,2% | HALF PINT 4,70 | PINT 9,40
India Pale Ale means bitter, but mostly aromatically bitter. Our IPA is an English style IPA which is not so extreme as other style IPA's. The boiled hop aroma comes from English hops and American hops are used for dryhopping.

DRAUGHT BEERS FROM ANIMAL ARMY

Fuzzy Bear LOCAL | BLOND | 6% | HALF PINT 5,20 | PINT 9,60
This blond is easy, a lover for fast drinkers, who like some taste to their beer. Sweet on the tip of your tongue, moderate bitterness half way, but all in all a refreshing taste. Fuzzy Bear you can drink every day, anytime, anywhere, no matter what the temperature outside is. Let Fuzzy capture your heart too.

Long Neck LOCAL | WEIZEN | 5,5% | 30CL 5,50 | PINT 8,30
Wheat malt give a slightly sour taste to weizen beers. Fresh beer, light in colour and taste. Long Neck is high in carbonation, which gives thick foam. An easy drinkable weizen, presented in the characteristic long weizen glasses.

Howling Wolf LOCAL | BOCK | 6,8% | HALF PINT 5,20 | PINT 9,60
A rich flavour is to be expected. Dark and caramel malts define the flavour. A bittersweet taste flavoured by hop aromas. Our brown bock brings light to dark days.
